Dear John:

The benevolence of Land'or International, combined with the very generous donations that you and Patty made through the years, have made a significant impact on our ability to improve the lives of individuals with special needs. We depend upon the generosity of individuals and corporations to fund our operations and your contributions have been exceptional.

The success of our major fundraiser, Bridles & Bow Ties, is a testimonial to you and Patty. Patty's creativity and passion for our mission has elevated our signature fundraiser to accomplishments which were only dreamed of five years ago. The countless sponsorships, including last year's Title Sponsorship, vacation weeks that have been donated to the raffles/auctions, as well as the airfare, Disney tickets, and other vacation bonuses are overwhelming! Thank you for your tireless support and for supporting Patty's extraordinary volunteerism with our organization.

On behalf of our students, their families, our staff, and our Board of Directors, please know that we are forever grateful. Your support of Dream Catchers is helping us make dreams come true for our very special students!

With best regards,

Nancy A. Paschall
Executive Director
