

Club Land'or Spotlight: The Oasis Lounge

Located above the lobby of Club Land'or, The Oasis Lounge has been a favorite of locals and guests alike for many years and is a great place to meet new friends and relax after a long day in Paradise! The newly-renovated Oasis has been transformed into a sports lounge where patrons may enjoy three premium sports channels at the bar or sit back in the cozy seating area for tempting tropical drinks, Happy Hour Specials and island treats such as homemade conch fritters. At present, Thursday night features live jazz music and island/calypso music on other nights!
