Mr. John L. Holt, III
CEO and Chairman of the Board
Land'or International, Inc.
4050 Innslake Drive
Suite 204
Glen Allen, VA 23060

Dear John:

The Richmond SPCA is deeply grateful to you and Land'or International, Inc. for the many kindnesses you have shown to our organization and to the homeless animals of our community. For years, Land'or International has generously supported the Richmond SPCA through event sponsorships and donations of wonderful trips to your luxurious resorts for inclusion in our fundraising auctions and raffles. Through these contributions of sought-after vacations, you and Land'or International have helped our organization raise tens of thousands of dollars to support our lifesaving mission.

You have aided the Richmond SPCA in saving the lives of countless orphaned dogs and cats in desperate need throughout Greater Richmond, and we thank you from the bottom of our hearts for all that you have done and continue to do in support of homeless animals. You and the entire Land'or International family are heroes to the most helpless among us, and we are forever in your debt.

Sincerely,

Tamsen H. Kingry
Chief Operating Officer
