New to Land'or Vacation Club: Guided Tours!

This month Land'or Vacation Club introduced new cruise lines and 344 golf courses with great deals on tee times. We now introduce our latest member benefit: **Worldwide Tours!** Choose between the thousands of tours we offer at vacation spots all over the world. These are guided group tours and often include a number of destinations, roundtrip airfare, transportation to and from each destination, hotel stays, meals and tour guides at each location. Whether you wish to go on a Taste of Italy Tour or a Safari Tour of Africa, we're certain that we will be able to find something for everyone!

Dear Land'or family,

The holiday season has arrived (as heralded by decorations in place since September in some places!) and Thanksgiving and the spectacle of Black Friday shopping have passed. All of us at the Corporate Service Center in Virginia would like to wish you and yours the happiest of holidays. To all our members and their families who serve our country in the armed services, police, fire and EMS departments, we extend a heartfelt "thank you" and pray for your continued safety during this season.

The holiday season is a festive one in the sun-splashed Bahamas, and Bahamians definitely know how to throw a party! The highlight of the season is the uniquely Bahamian and highly entertaining cultural festival known as **Junkanoo**. This blend of music, colorful costuming and dance is celebrated all through the islands but the biggest celebrations take place right in Nassau at midnight on December 26th (Boxing Day) and at midnight on January 1st. Bands march through the streets of the old colonial city and groups such as Valley Boys and Saxons compete for best costumes, music and overall presentation. If you plan to attend this huge event, get to Bay Street early to get a prime spot!

Looking for a fun activity that will become A favorite family memory of your trip to Club Land'or? We offer a **Snorkeling Adventure** every Monday and Thursday that allows you to explore the colorful corals and tropical fish prevalent in the crystal-clear Bahamian waters. The package includes snorkel gear, a box lunch and drinks. And don't forget to make your reservations for our most popular activity, the **Rose Island Cruise!** Snorkel, play beach sports like volleyball or simply bask in the warm Bahamian sun. The family-friendly tour includes a delicious buffet style lunch prepared for you on the beach! Contact our **Concierge Department** at 800-552-2839 x 224 for advance pricing on all Club Land'or activities!

While other resorts on Paradise Island charge you for individual services such as vacuuming your room or even emptying your trash, we feel you should relax on your vacation and not worry about such things. That's why we provide **daily housekeeping at no extra charge**, 24 hour security and front desk service, free daily activities and a friendly, helpful staff. Our pledge is to give you a great value while you relax and enjoy your vacation in Paradise!

Last Minute Gift...Paradise!

Struggling to find the perfect gift??? Give the **gift of a vacation** to the ones you hold dear this holiday season. CEO'S Corner

We are very happy to announce that **Land'or Vacation Club** has partnered up with **The Bridges of Light Foundation**. The foundation began in 2004 as a charity to help further the education of children who have been abandoned, abused or neglected. With the help of our members, the foundation will help prepare these children for a brighter future. The charity feature is located under the Services tab. Members will be able to donate any unused reward credits to Bridges of Light, which then uses these credits to purchase vacations to auction off at charity events. The proceeds will go towards making a difference in the lives of children who well deserve assistance. Visit <http://www.bridgesoflightfoundation.org> to learn more and please join us in supporting this vital cause!
