Dear Club Land'or members,

Spring and the promise of warm weather is now upon us. As the trees and flowers bloom in a beautiful show of greens, pinks and yellows I am reminded of how, just a few weeks ago, a foot of snow covered these very trees and flowers. My point? Sometimes we have things of value that may seem hidden (by the cares and problems of day-to-day life) that, when we turn our attention to them, become a great source of pleasure to us. Who among us has not dreamed of getting away to an island paradise that's far, far away from our normal routine? As a Club Land'or owner, your island daydreams are more than just that.....they become reality each time you visit!

The Bahamas is the closest Caribbean destination to the United States yet seems a whole world away. Located at the forming point of the gulf stream, the islands are warm yet breezy, tropical but without scorching sun. Some of the world's best beaches are located right here, including the pink coral sands of Harbour Island, rated "The Best Island in the Caribbean" by *Travel & Leisure* Magazine in the top-rated magazine's 10th annual reader's poll. 3-mile long Cabbage Beach (easily accessible to you as a Club Land'or owner) is routinely featured on travel shows as a top Caribbean beach. Water sports such as parasailing, snorkeling, scuba diving and deep sea fishing are moments from your villa, as well as the Caribbean's largest, glitziest casino at neighboring Atlantis. Add in such stellar cuisine as The Ocean Club and our own top-rated Blue Lagoon Restaurant (where members enjoy exclusive discounts) and you'll see why the Miss Universe Pageant will be held on Paradise Island in August (see page 2). Not only are our members right in the heart of the action, they enjoy benefits not extended to those staying elsewhere, such as complimentary daily housekeeping, a Preferred Merchants Discount Program, a host of free family-friendly activities and some of the friendliest and competent staff to be found.

So shake off the last chill of our late winter and come remember why the old adage is still true today....it's better in the Bahamas and Club Land'or!

Upcoming Bahamian Holidays

Labor Day, June 5th

On this Holiday, members of the Labor Unions from different organizations as well as Political Parties march in a large parade through the streets of Downtown Nassau, usually in colorful uniforms, beginning around 10:00 a.m. Local bands and a few junkanooers lead the parades, providing lively music for the marchers and spectators. The parade ends at the Southern Recreation Grounds, where Union Leaders and local politicians deliver speeches. Most Bahamians spend the afternoon relaxing or visiting beaches.

Emancipation Day/August Monday, August 3rd

This holiday celebrates the emancipation of slavery in the British Colonies in 1834. The holiday is celebrated with a Junkanoo Rush-out, a day of beaching, sailing and regattas in New Providence and the Out Islands. In New Providence old slave villages such as Gambier in the west and Fox Hill in the east have their own special celebrations.
